## Welcome to JAPA-VIETNAM

We are very glad to receive new members of JAPA-VIETNAM from Vietnam. This summer we started a new program to expand our activities in Vietnam to address our principles and ideas to people in Vietnam to understand our goals and join us. A very happy result has been achieved by the coming of 20 new members who joined us, after our one-month trip to Ho Chi Minh City visiting various people there.

Taking this opportunity of new members in Vietnam joining us, we came to decide to issue

CHAO VIETNAM- tieng Anh. We have issued twice a year CHAO VIETNAM in Japanese for Japanese members to address our activities. The new CHAO VIETNAM-tieng Anh will be issued 4 times a year, based on the articles of CHAO VIETNAM of the Japanese edition with some fresh news for members outside Japan.

We hope you will enjoy this new current CHAO VIETNAM-tieng Anh.

Thank you.
